

## ● Strawberry **MURANO\***

*EVERBEARING*

**Plant:** everbearing variety with high chill requirement. Good plant vigor with upright habit. Rustic plant with good tolerance to diseases. Very high yields.

**Flowers:** pollen-rich, easy-pollination. Stems are erect.

**Blossoming time:** very early, long lasting and regular.

**Fruits:** regular conical shape, very attractive. Large bright red berries that maintain their firmness and colour even at high temperature. Outstanding flavor, very sweet with high and consistent brix during all picking time. Excellent shelf life.

**Harvesting time:** very early, long lasting and regular.
